A copy of each non-U.S. patent document and each non-patent document is being submitted to comply with the provisions of 37 CFR §1.97 and §1.98.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to

antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

**TIMING OF THE DISCLOSURE**

The listed documents are being submitted in compliance with 37 CFR §1.97(b), Before the mailing of a first Office action after the filing of a Request for Continued Examination under §1.114.

**RELEVANCE OF EACH DOCUMENT**

Applicants herein cite on Form PTO/SB/08, the co-pending U.S. Applications which are assigned at least in part to Cancer Research Technology (P22) or at least in part to Antisoma, Inc. (U1 & U2). The Examiner is invited to review all the references cited in the co-pending U.S. applications and issued patents, as well as the Office Actions issued therein. Several of the documents listed on the attached PTO/SB/08 Form were cited in the International Search Reports (ISR) of this application and the corresponding PCT applications of the co-pending U.S. Applications.

Copies of the International Search Reports for each international application is attached. This is submitted to set forth the portion of previously submitted references considered relevant by the International Searching Authority.

All of the documents are in the English-language, except F1. An English-language translation of the foreign-language document D32 (abstract) has been provided. The absence of a translation or an English-language counterpart document does not relieve the PTO from its duty to consider any submitted document (37 CFR §1.98 and MPEP §609).

Applicants respectfully request that each listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP §609.
